STUNNING STONE BUILT COTTAGE BURSTING WITH CHARM

Guildhall Sales and Lettings proudly presents this charming chocolate box cottage rich in history, dating back 300-400 years. Originally the village pub, The Brown Cow, this home exudes character and nostalgia. Situated in the sought-after Withnell village, it sits on approximately 1 acre of land, boasting ample parking, lovely gardens, and a meandering brook. Its quaint features are complemented by its prime location, offering easy access to local amenities and neighbouring towns like Chorley and Blackburn, as well as the M6 and M65 motorways, making it an ideal choice for those seeking convenience.

Upon entering, the ground floor greets you warmly. The entrance hall leads to a WC and a spacious cloakroom. The kitchen, ripe for modernization, holds the potential to be a beautiful country-style culinary space. The dining room features an original fireplace with a log burner, creating a cozy ambiance. With patio doors leading outside, this room is perfect for entertaining. The lounge, with dual aspect windows and a feature fireplace, maintains its original charm with beamed ceilings.
