Holly Dene, 15 Main Street, Gunthorpe, Nottingham NG14 7EY

Superbly located in the popular village of Gunthorpe, this detached family home is stylishly appointed throughout and has been significantly upgraded by the current owners to provide spacious and well-balanced accommodation.

The property stands on a mature plot with generous driveway parking and a detached double garage. To the rear, the west-facing garden has been landscaped and features a shaped lawn and a good-sized patio area—ideal for outdoor dining and relaxation.

Inside, the layout has been thoughtfully reconfigured to create a striking open-plan living kitchen at the rear of the property. This space includes a newly installed kitchen, French doors opening onto the garden, and oak double doors leading through to the lounge. The lounge itself benefits from a log/coal-burning stove, offering a warm and inviting focal point.

Upstairs, there are four double bedrooms, including a principal bedroom with a stylish en-suite bathroom. A contemporary main family bathroom serves the remaining rooms.

Gunthorpe is a sought-after village known for its scenic riverside setting, making it an excellent location for walks along the River Trent. The area has seen recent investment, including the refurbishment of several popular riverside restaurants and pubs, offering a variety of options for dining and socialising just a short walk from the property.

For families, the village is served by a well-regarded local primary school, while secondary education is provided by Toot Hill School in nearby Bingham—with an excellent reputation.
