## Description:

This is a unique opportunity to secure office premises within one of Shrewsbury's most recognisable office buildings.

The offices comprise two floors of a three storey extension to the original Welsh Bridge building constructed to house Morris Care. The Morris Care business was sold in 2023 and the offices have become surplus to requirements.

The offices will have their own dedicated entrance directly off Lower Claremont Bank via an imposing double doorway into an internal lobby, with original doors from the HMHS Britannic—sister ship to the Titanic.

Internally, the offices comprise suspended ceilings, new LED lighting, redecorated plaster and painted walls, raised floors with underfloor trunking and new carpet throughout.

The incoming tenant will be able to erect their own corporate signage on the Lower Claremont Bank elevation within a defined signage 'zone'. Two car spaces will be made available on separate license within the secure and gated rear courtyard. A further three car spaces will be made available on separate license nearby.
