## Description

Having undergone an extensive renovation in recent years this stunning property is offered for sale in true move-in condition. The front door opens to a bright and welcoming central hallway which is flooded with natural light from the glazed door through to the garden to the rear and has stylish engineered oak flooring which continues through the ground floor. The bay windowed reception room to the front blends contemporary style and period charm and offers the ideal space to relax after a busy day. Across the hallway, a second bay windowed reception room provides the ideal setting for entertaining, in use as a formal dining room, but could easily be a fifth double bedroom if desired. The impressive kitchen/breakfast room is to the rear and has a central peninsula perfect for casual dining. The kitchen is fitted with an extensive range of quality units and integrated appliances including an induction hob and extractor, double oven, combi oven/microwave, dishwasher, fridge freezer and washing machine. There is a door to the garden. Peacefully located overlooking the garden, the principal bedroom features built-in wardrobes and a luxurious en-suite with twin sinks, concealed cistern WC, walk-in shower and bath. The second double bedroom and a beautifully appointed shower room with spa shower completes the ground floor. Stairs from the hallway with under-stair storage lead to the first floor where there are two further double bedrooms, both with built-in wardrobes and access to further storage in to the eaves. Benefits on offer include full modern double glazing and gas central heating.

## Extras

The integrated kitchen appliances, window blinds, light fittings, fitted carpets and flooring are all to be included in the sale.

## Garage, Gardens and Driveway

A particular benefit of this property is the generous south facing garden to the rear which is predominantly laid to lawn with patio area ideal for al fresco dining. The garden is fully enclosed with gates to both sides and offers a safe space for children or pets to play. An area of front garden with lawn, mature hedge and central pathway leading to the front door sets the house back from the street. To the side, an extensive pebble chipped and paved driveway provides off street parking with EV charge point and leads to the single garage. The detached single garage has an up and over door.
