The Property

Nestled in the charming village of Penton Mewsey, this beautifully maintained detached house on Chalkcroft Lane offers a delightful blend of space and comfort. Spanning an impressive 2,129 square feet, the property boasts four well-proportioned bedrooms, making it an ideal family home presented in excellent decorative order inside and out.

The reception rooms and kitchen are all accessed from the large, light hallway, a common theme of this house which continues to the first floor by a feature staircase. To the rear of the property is the double aspect sitting room with an electric fire in the fireplace, off this room is an office or dining room. The kitchen, with access to the garden, has modern shaker style units with wooden worktops and a tiled floor. There is space for a cooker, dishwasher and fridge freezer and a peninsular offers additional worktop space or a spot for a couple to eat. To the other side of the hall is a dining room, utility and a shower room, which together has served as an annexe for multi-generational living.

Upstairs, there are four double bedrooms, a bathroom and a separate WC, all arranged off a large, light landing. The cupboard on the landing could easily be converted into an en-suite for the bedroom adjacent.

Services Mains electricity, water and drainage connected, oil central heating. Ofcom suggests broadband download speeds of up to 80 Mbps and that most major mobile networks will likely have connectivity in the area.
