Flagstones Property Group is thrilled to present an exclusive opportunity for prospective tenants to be among the first to experience this truly extraordinary development nestled in the heart of Tottenham Hale.

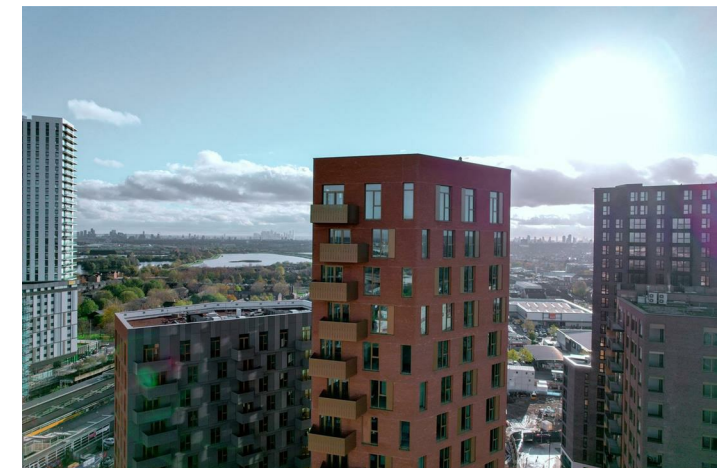

This two-bedroom, two-bathroom apartment boasts opulent living spaces, enhanced by impressive vaulted ceilings and panoramic views of London that will leave you breathless.

Situated at 1 Ashley Road, the development offers a spacious communal roof terrace on the fifth floor, providing residents with an expansive vista of West and North London. The building's facades predominantly feature a meticulously crafted brick design, drawing inspiration from the rich detailing found in Haringey's architecture. The brickwork extends to the full height, showcasing a masonry weave. Rich 'brass' colored metal and black metal elements add both strength and elegance to the overall design, paying homage to the iconic Gestetner Duplicator envisioned by Raymond Loewy. The thoughtful inclusion of metal perforations and balcony details draws inspiration from the distinctive print method of the Duplicators Cyclograph, contributing to the development's unique and refined aesthetic.
