This two bedroom duplex apartment is situated in an iconic warehouse conversion and has been designed with much thought given to light and space. Internally complemented with a neutral palette throughout, engineered wooden flooring and brick slip wall effect tiles.

## The Indoors

Access to the building is via a secure entry system, with stairs leading to the apartment situated on the upper levels of this impressive building. Each apartment has its own entrance with private front area ideal for entertaining and alfresco dining. The upper floor is home to the kitchen, open plan living area and balcony. The living area has a wonderful sense of connection to the outdoors, care of glass doors that open to the south facing balcony. Here, the engineered wooden floors have been stained a handsome dark shade and links the room seamlessly. The kitchen is a mix of low and high level cabinetry, finished in a high gloss grey frontage housing integrated appliances.

Stairs lead you down a central hallway with storage cupboard and access to two double bedrooms and bathroom. The generous main bedroom is found at the front of the plan. The bathroom has a contemporary finish with fully tiled walls, inset mixer taps, wall hung sink and built in toilet cistern. The second bedroom is at the rear of the plan and enjoys excellent light.

## The Outdoors

The apartment enjoys two out side spaces allowing you to enjoy morning and evening sun. The front of the property offers an area ideal for a BBQ and a balcony off the lounge area allows you to take in the evening and afternoon sun.

### **Loving The Location**

The apartment is well situated for the best of Bethnal Green and the neighbouring locales, including London Fields, Wilton Way, Columbia Road, Mare Street and Broadway Market. Hackney Road is home to an increasing number of popular restaurants and bars, including Morito, Sager + Wilde and The Marksman. O-Zone Coffee roasters have recently opened an all-day café in the Antipodean vein very close by, specialising in excellent coffee, pastries and an ever-changing brunch menu. The excellent Common Ground coffee is also a stroll away.

The green spaces of Victoria Park and London Fields are all a short walk from the apartment. Broadway and Columbia Road Markets, with their wide array of independent shops and cafés, are close by. Particularly popular are Climpson's Coffee, Donlon Books, Pavilion Bakery, Brawn, The Royal Oak and Campania & Jones. Liverpool Street is an easy walk away, as are Brick Lane and Spitalfields Market, Redchurch Street and Shoreditch House.
