The Indoors-

Upon entering, you're greeted by an immediate sense of light and space, with window-covered walls that flood the home with natural light while maintaining a cosy, family-friendly atmosphere. The hallway, bathed in soft light from the window wall, offers a glimpse into the private courtyard, a space with hit-and-miss brickwork detailing that adds a touch of urban charm. To the right of the entrance, the open-plan living room and kitchen maintains the airy ambiance, with full-height sliding aluminium doors that seamlessly connect the indoors with the private courtyard. Engineered oak floorboards run throughout the ground floor, adding warmth to the modern design. The kitchen, equipped with top-of-the-line Bosch appliances, is both functional and stylish, making it a joy for family cooking and entertaining. The open-plan layout ensures plenty of space for both relaxing and dining, creating a comfortable environment where the whole family can gather.

Continuing down the hallway, you'll find the first bedroom on the left. This versatile space, with beautifully crafted wooden flooring and ample storage options, offers direct access to the courtyard. It's perfect as a bedroom, a study, or a quiet retreat for relaxation. Adjacent to this bedroom is the main family bathroom, equipped with modern fixtures by Duravit and Bristan, including a heated towel rack.

A family-friendly carpeted staircase leads you to the first floor, where the main bedroom awaits. Overlooking the private courtyard, this room is flooded with natural light, creating an airy and serene atmosphere. The wool carpet underfoot adds a layer of comfort, while in-built wardrobes offer ample storage. The ensuite bathroom, crafted with Ideal Standard appliances, provides a luxurious space for unwinding, making this bedroom a true retreat. At the end of the hallway is the second bedroom, also carpeted and spacious, making it an ideal space for a child's room, a playroom, or an additional bedroom.

The Outdoors

The private courtyard, which connects seamlessly with the living room, hallway, and bedroom, is the perfect outdoor extension of the home. This courtyard is the heart of the home, perfect for dining, relaxing, or simply enjoying a moment of peace. South-facing and designed with thoughtful details, this space captures the late evening sun, offering a perfect spot for relaxation
