## The Indoors

Upon entering, you are welcomed into an expansive hallway which leads to the second bedroom, a peaceful space, where natural light streams in through a sash window and an overhead Velux skylight. The wooden floors add to the calm, grounded aesthetic, while there's plenty of room for a double bed and storage to fit your needs. Adjacent to the bedroom, the first bathroom is fully tiled with a bath, overhead shower, and understated yet sleek fixtures. This space radiates a sense of calm and airiness, inviting you to relax and recharge.

Climbing a couple of stairs, we have a spacious landing area that houses a large storage cupboard. In the main living space, the original Victorian floorboards, polished to perfection, create a warm and timeless foundation, while the centrepiece fireplace adds character and charm. Two large, double-glazed sash windows flood the room with natural light, amplifying its spacious and airy ambience. The living area accommodates a cosy seating arrangement alongside ample room for a dining table, making it perfect for entertaining. The kitchen, subtly set apart to balance openness with functionality, featuring sleek Bosch appliances, a built-in oven and hob, a statement extractor hood, and warm wooden countertops, the kitchen's clean lines and thoughtful storage design make it practical and adds style to the space.

The second floor, where the main bedroom hosts a spacious and tranquil retreat. Dual Velux skylights fill the room with daylight, creating a serene ambiance perfect for rest. With ample room for a double bed, wardrobe, and even a study nook, this bedroom is wonderfully versatile. Across the hallway, the second shower room completes the home with its contemporary tiling, walk-in shower, heated towel rack, and elegant fittings.
