The Indoors

Upon entering, the hallway immediately sets a calm tone, leading to each area of the apartment. To the left sits the main bathroom, finished with modern fixtures and fittings, while adjacent lies the principal bedroom, offering generous space for a double bed, integrated storage, and an en suite bathroom with a walk-in shower, heated towel rail, and clean, contemporary detailing. The open plan living and kitchen area forms the heart of the home a bright, inviting space defined by its sense of openness and natural light. Large Crittall style windows and a direct connection to the private balcony allow daylight to flood in throughout the day. The kitchen is both practical and elegant, equipped with an in-built oven, microwave, and dishwasher, alongside ample cabinetry and counter space for everyday use or entertaining. The second bedroom, located beside the balcony, is equally well-proportioned and versatile ideal as a guest room, study, or creative workspace.

Loving The location

Empress Works is located on the banks of the Regent's Canal which is a landmark of East London that runs through the borough from Stratford/Hackney Wick, all the way to Islington and beyond.
