The Indoors

The entrance hallway guides you directly into the bright open-plan kitchen, dining, and living space an area that naturally draws you toward the outdoors through wide glass sliding doors that open onto the south west facing garden. The kitchen features Carrara marble countertops, integrated appliances including a fridge-freezer and dishwasher, and plenty of storage space for everyday essentials plus designer flooring in natural oak runs underfoot.

On this entrance level sits the first double bedroom, complete with its own ensuite with carefully chosen Claybrook Studio tiles. The lower floor holds the remaining two bedrooms both doubles, both opening onto the lower garden. The main bedroom has its own private ensuite (also with Claybrook Studio tiles) and the centrally placed family bathroom is styled with the same high-quality finish. The lower garden level also includes a practical storage room. Air source heating, double-glazed timber windows and elegant gunmetal fixtures.

The Outdoors

The southwest facing private garden brings sunshine well into the afternoon —perfect for relaxing, entertaining, or growing a few favourite plants. The lower garden offers additional outdoor space, giving you fresh air and greenery right outside both lower-level bedrooms. A set-up that feels like a peaceful pocket of nature hidden away in the city.
