Wow – this rural home offers so much space and has an amazing rear garden! This is a well presented five bedroom semi-detached house and has everything a family will need. The accommodation starts with a big entrance hall and downstairs cloakroom/WC. All the rooms run off this hallway with a dual aspect lounge, with doors to the garden at one end. Next to the lounge there a separate dining room and then a modern kitchen. There's a useful 'family room' which could be a playroom or even converted into a kind of annexe as there is a utility behind. Upstairs the space is equally as impressive with 4 good size double bedrooms and the 5th is a good single room! The landing is open and bright, and the modern bathroom is a real feature here. Once outside this house goes to another level with a lovely open feel and fabulous views across open countryside and in the middle of the popular village of Withyham. It's rare to find a garden of this size. To the front there is off road parking and a small front garden too.
