

CHESTERFORD MEADOWS

GREAT CHESTERFORD

A New Way of Life in a Historic Village

An extension of Great Chesterford village, and surrounded by expansive open countryside, Chesterford Meadows is a distinctive collection of two to five-bedroom homes, delivered by award-winning, five-star housebuilder The Hill Group.

Designed to complement the beauty of the surrounding natural landscape, choose a brand new home that has been traditionally built with a welcoming interior, private garden and garage or car port to selected homes.

Great Chesterford has been a well-loved home to many for centuries. With cosy pubs, tranquil walks, and leading schools, the area is perfect for every stage of life.

Countryside Living and Village Bustle

Set in the stunning Essex countryside, these homes boast easy access to nature and open spaces, with the community and connections of the village just a few minutes away.

Located within the National Character Area of East Anglian Chalk, Chesterford Meadows is surrounded by rolling hills and endless fields that offer sweeping views over the surrounding countryside. Finding a scenic country walk is as easy as stepping outside your front door, while a short cycle or drive unlocks the wider region and all the natural beauty it has to offer.

Great Chesterford is the quintessential English village – with traditional architecture, a true sense of community, and the shops, pubs, and boutique Tudor-style Crown House Hotel all within walking distance. Many of its listed buildings sit directly on the River Cam and the village boasts a rich history, and features countless sites of archaeological importance.

Thanks to fast connections from Great Chesterford Station, you can be in the heart of London within 70 minutes or Cambridge in 15 minutes to enjoy the shopping, fine dining, and thriving culture of two world-renowned cities.

The Next Generation

With a wide range of highly regarded schools in the area, there are plenty of options to give your children firm foundations for their futures.

More than 20 different schools with either a 'Good' or 'Outstanding' OFSTED rating sit within five miles of Chesterford Meadows. This includes Great Chesterford Church of England Primary Academy which is rated 'Outstanding', and has an intake of students aged from four to eleven, and is located in the very heart of the village.

Saffron Walden County High School is just over three miles away, and also has an 'Outstanding' OFSTED rating, with a proven track record of good results across the board.

Famous for its world-class university, Cambridge is a city with a magnificent educational heritage and reputation.

Cambridge also offers fantastic career opportunities, thanks to the presence of high-tech businesses such as Apple and Microsoft.

Excellent Connections

Cambridge, London, major airports, and the rest of the UK is waiting for you.

Great Chesterford Station is just a 10-minute walk away, with hourly services to both Cambridge and London Liverpool Street on the Greater Anglia service. If you'd prefer to drive, a trip to Cambridge takes just 20 minutes, while Stansted and Luton Airports are less than an hour away by car when travelling further afield.

For local trips and weekend ventures, the nearby market town of Saffron Walden is less than a 10-minute drive away, with a bustling high street and regular markets.

Nature on Your Doorstep

The vision for this development is to create a distinctive local village neighbourhood that sits in harmony with its surroundings. The southern edge features an attractive green space for community use and habitat creation – connected to Great Chesterford via an on-site footpath. Naturalistic planting and meadow-style grassland will attract wildlife, bringing people into contact with nature every time they step outside, integrating the development into the wider landscape.

Connected Spaces Animated by Greenery

The development and its layout have been heavily informed by the surrounding area, to not only fit in with the village and countryside on either side, but to create a truly special lifestyle within them.

The site's relaxed, informal feel is created by the buildings and their character, from traditional family homes to a more rural, farmstead-style. Perimeter landscaping around the entire development softens its edges, creating a seamless link to the natural woodland. Best of all, the open green space at the very heart of the development encourages community interaction, offering room to meet outdoors.

A combined cycle route and footpath runs the full length of the development, encouraging healthy, active living while also providing easy access to all of the surrounding amenities and greenery.

The circular, enclosed layout of this route ensures its availability for all residents, as well as creating a secure environment for users of all ages. The result of these carefully considered development features is the creation of a calm, safe place that encourages easy connections to the natural beauty around it – all without sacrificing the tranquillity and privacy of each residence.

Creating Exceptional Places to Live

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the South.

In its 25th year, this family-owned and operated company has grown to establish itself as the UK's second-largest

privately-owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 850 staff, the company operates from six strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill anticipates completing circa. 2,900 homes this financial year and has a controlled land bank with planning consent for over 8,500 units. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including the esteemed titles of WhatHouse? Housebuilder of the Year in 2015, 2020, and most recently in 2023, when it also won the Best Large Housebuilder accolade in its first year entering the category. Other awards won in 2023 range from WhatHouse? Awards Best Development and Best Exterior Design, to Best Family Home at the Evening Standard New Homes Awards.

In addition, Hill is dedicated to delivering the highest quality homes and exceptional customer service. This commitment has earned Hill the coveted 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past seven years.

The Hill Group is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
