I have 10 years experience working with both independent and corporate agencies which allows me to take the good from both and use them to our advantage. The reason I decided to open New Adventure Homes was simple, I wanted to show that Trust can be at the forefront of the relationship between client and estate agency. I can honestly say, hand on heart, we offer a unique service which will not be replicated.

As your local, family run estate agents, we will provide you with expert knowledge and a proactive attitude like no other agency.

It is important to us to understand what matters most to your property journey.

We want you to feel confident instructing New Adventure Homes, and that is why we are always on hand to answer any questions you may have.

We pride ourselves on being passionate, personable and reliable whilst maintaining solid relationships and offering excellent service. This is why most of our business comes through recommendations and we get such great customer feedback.
