This property boasts a stunning location, with the front door opening directly onto a protected wildflower meadow. The immediacy of this astounding natural beauty provides a sense of calm, openness and exclusivity. This home also affords an impressive 2,044 square feet of living space, a detached garage which has been fully converted into a gym, a driveway for two vehicles and a private south-facing landscaped garden. This therefore presents a very rare opportunity to purchase a fantastically presented property immediately adjacent to a very special natural setting, whilst also benefitting from being well connected to the vibrant community of Boston Spa.

As you step inside this immaculately presented home, a light and airy hallway greets you, leading to a practical utility room featuring bespoke cabinetry, along with a guest WC.

The formal living room is warm and inviting and leads to an expansive and bright open-plan living area. This space seamlessly blends kitchen and dining areas, along with a further relaxation area. The recently fitted bespoke kitchen from Matthew Kirk Interiors is stunning and provides ample and practical space for a busy family kitchen, with integrated Smart Samsung appliances, and a large induction hob.

Bespoke sliding doors open up to a private walled, secured and south-facing garden, which features three zoned patio areas, one of which leads to a large shed. The packed and mature borders contain numerous fruit trees and shrubs, as well as flowers in the spring and summer months.

On the first floor, you'll find a principal suite complete with a dressing room and a modern en-suite wet room. Additionally, two more double bedrooms share a family bathroom equipped with a bathtub and overlook a sedum covered roof.

The second floor offers two further double bedrooms with built-in bespoke wardrobes and eaves storage on either side. Large velux windows flood the space with natural light and provide superb views over the meadow and neighbouring River Wharfe. The floor is completed by a further contemporary wet-room with further bespoke fitted storage.

Outside, the front of the property lies a recently redesigned gravelled area, opening onto the wildflower meadow. Set at the end of a private driveway with space for two cars, the detached garage has been fully converted into a state-of-the-art gym, perfect for fitness enthusiasts.
