£390,000

Come and have a look inside this welcoming 3-bedroom semi-detached house, perfectly positioned in a prime location within walking distance to the vibrant high street, mainline railway station, and esteemed schools. This inviting home boasts a spacious and modern design, ideal for families seeking comfort and convenience.

From the minute you walk through the door you are greeted by a warm and welcoming ambiance. The focal point of the ground floor is the expansive kitchen diner family room, providing a versatile space for entertaining friends and family or enjoying quality time with loved ones. The kitchen area is tastefully appointed with sleek countertops, ample storage, and top-of-the-line appliances, catering to the needs of any budding chef.

As one of the highlights of this home the seamless integration of indoor and outdoor living with bi-folding doors opening onto the rear garden, inviting abundant natural light and creating a seamless flow between the interior and exterior spaces stepping out onto the decking. Whether you are hosting an al fresco gathering or simply unwinding in the sunshine, the garden offers a serene retreat for relaxation.

The first floor is home to three bedrooms, each offering comfort and privacy for residents. The master bedroom provides a peaceful sanctuary to relax. The additional bedrooms are equally inviting, perfect for children, guests, or home offices to suit your lifestyle needs.

The convenience continues with off street parking and a garage which the current owners have partitioned to provide storage space at one end and with its own entrance, electric and plumbing a multi function space you could use as a utility room or great working from home space.

With its unbeatable location and desirable amenities, this home really does offer the epitome of modern living in a sought-after community, where every day promises a blend of comfort, convenience, and cherished memories as it has for its current owners.
