£385 Per week

This modern three-bedroom terrace has recently undergone an extensive refurbishment so fresh, that the kitchen is not quite finished yet! Once the cream gloss doors are added, you will be able to enjoy a much larger than average cooking area, with space to entertain too.

The kitchen leads out onto a spacious lounge diner, with french doors leading into a low maintenance rear garden, lending lots of privacy due to not being overlooked from the back.

The first floor features 2 great sized double bedrooms and a completely new modern family bathroom, whilst on the second floor our master bedroom features from an en-suite WC. This attractive property is sure to move quickly, click to
