

Welcome

This comfortable first floor apartment forms part of a handsome four storey sandstone tenement originally constructed around the end of the 19th century. Approached from a refurbished communal staircase, the tastefully decorated, easily managed interior is designed around a central hallway to provide a sunny south facing lounge with open plan kitchen formation. The kitchen gives an excellent range of wall and base units with ample worktop space, eye level double oven, gas hob with extractor fan. There is a large principal bedroom with ample space for bed and free standing bedroom furniture. Situated off the hallway is a shower room with window giving natural light and wash hand basin set within vanity unit. There is a very useful deep storage cupboard off the hallway. Along with gas central heating and double glazing, the flat is tastefully decorated throughout and in turn-key condition.

Externally there is access to a well-kept communal garden to the rear of the building and unrestricted on street parking.
