Asking Prices: £385,000 to £395,000 Freehold

The houses, built by an excellent, local, independent builder, SB Ten Construction, will be beautifully finished and appointed, with the developer focusing on the quality of materials and finish, to include under floor heating throughout the ground floors, radiators on the first floors, mains gas combi-boilers, photo-voltaic panels, double glazed windows with their own ten year guarantee, plus an NHBC ten year guarantee on the houses themselves.

The houses are constructed with brick and block ground floors and timber framed first floors, with tile-hung upper elevations, beneath tiled roofs. There are false chimneys as part of the design.

The gardens will have an area of paved patio by the rear of the house and lawn beyond, with 6ft close boarded fencing and patio stepping stones leading to a rear gate, where a path and steps lead up to the parking area, accessed off Highfields Lane. Each house will have two allocated parking spaces and an electric car charging point.

The two-bedroom houses have an entrance hall with stairs rising to the first floor and cloakroom leading off, double doors leading through to a kitchen, which is open plan to a living/dining room to the rear with bi-fold doors to the garden. There is space for laundry appliances in a cupboard under the stairs.

Arranged off the first floor landing is the principal bedroom with en-suite shower room and to the rear is a second double bedroom, with a bathroom between the two.

The internal photographs used in these marketing materials are for No1 to give a guide as to the finish of the houses. The layout and finish is similar in the other two bed houses.

Each house will have a new Freehold title, including parking spaces, plus access rights over the parking area.

Each house will have a shed within the garden, and there will be a communal bin store.

Any modifications to the planned specifications will need to be paid by the purchaser upfront.
