14 Greenhaugh Way

An outstanding and substantial 5-bedroom detached villa with double garage extending to approx. 195m² and occupying arguably one of the best plots in the development. The property enjoys a preferred and enviable position at the head of a quiet and peaceful cul de sac and is conveniently placed for local amenities. Nearby major road networks also allow ready access to the most important business and cultural centres throughout Scotland.

The property enjoys a fabulous corner plot setting and benefits from a high degree of privacy. The mature garden grounds have been beautifully cared for and are laid to lawn at both the front, sides and rear with peripheral shrub, flower and herbaceous borders. A large driveway permits ample off-street parking and in turn gives access to a double garage which has power and light installed. There is also a summer house which is included in the sale.
