# Plot 2 Kirkmaiden

## Drummore

An opportunity has arisen to acquire a development site located in the charming hamlet of Kirkmaiden, only a couple of miles from Scotland's most southerly village of Drummore. From the site there are views over picturesque farmland to the waters of Luce Bay.

This unique parcel of land, with previous planning permission for the construction of a residential dwelling, presents a chance for those with a vision to create a home in this setting. The site would also lend itself to amenity land, ideal for storage or the construction of a commercial building, subject to local authority approval. Previous planning reference 05/P/1/0296, granted in 2005.
