Our promise to you

Our ethos is simple. We put the health and happiness of our residents at the heart of everything we do, with the promise of a life less ordinary for today’s generation of retirees.

Everything we do is motivated by the admiration and respect we have for residents, their families, and the lifestyle they desire and deserve.

Village life, at its finest

A village within a village, Elderswell is named after a 17th century farm on the site that was surrounded by berry-rich trees. It sits in the picturesque Bedfordshire village of Turvey, by the River Ouse. Step out for a walk and find shops, two pubs and a medieval church. We're not far from the towns of Bedford, Northampton and Milton Keynes. And of course, you can easily hop on a train to London. The closest mainline station is Milton Keynes with fast trains that get you into Euston, London, within 34 minutes. Or, you can take the west coast main line for trips further afield to the Lakes and Scotland.

Discover a life less ordinary...

With two country parks, Harold Odell and Emberton, plus Castle Ashby Gardens, the ancestral home of the 7th Marquess of Northampton, open 365 days a year, there's a host of exploring to do right on the doorstep.

If you play golf – or have always wanted to learn – you're in luck; Paveham Park Golf Club and Bedford & County Golf Club are just a few miles away. So remember to pack the clubs.

Closer to home, why not wander round Turvey? This historic village was recorded in the Domesday Book and was a centre for lace-making in the 18th and 19th centuries.

Frequently asked questions

WHO MANAGES THE VILLAGE?

Inspired Villages provides daily on-site management to the villages through management companies in each location, all of which are overseen by our head office team. Management companies include a village manager, head of maintenance, and all other team members required to provide the services and maintain the facilities.

WHAT SECURITY MEASURES ARE IN PLACE?

For full peace of mind, measures will be introduced to provide security through both fencing and landscape treatment, controlled access points, 24-hour CCTV and a range of management security policies and procedures. The careful layout and arrangement of the village ensures people feel safe and secure and the 'public' spaces will have a high level of staff and occupier surveillance.

IS THERE ANY MEDICAL COVER?

Inspired Villages ensures that first-aid trained team members are on site all hours. Whilst we do not provide regulated activity medical cover, our team is trained to assist residents with sourcing the care and support they may need through 3rd parties. In addition, all properties benefit from access to a monitored support line, 24 hours a day.

CAN FRIENDS/FAMILY COME TO STAY WITH ME?

Yes of course, your Inspired apartment is your home. Our village facilities are available for them to use. Please note that you cannot sub-let your apartment.

CAN I BRING A PET?

Yes, Inspired Villages are pet friendly places. However, we respect communal areas where pets are not permitted such as the Chapters library, The Dining Room, and craft room.

IS THERE A MINIMUM AGE RESTRICTION FOR RESIDENTS?

A minimum age of 65 applies. If you are part of a couple, then only one of you needs to meet the minimum age. And despite the name suggestion, you don't actually need to be retired to live in an Inspired village.
