A charming semi-detached property built in 1919 that enjoys a lovely rural outlook located in the charming village of Ewhurst.

This attractive home offers a unique opportunity to own the front half of what was originally one large detached property having been divided into two by the current owners. Copper Beech exudes character with original wood doors, cornice and dado rails and has been extended to offer spacious and versatile accommodation over two floors. A paved path leads to a glazed covered porch and entrance into a light hallway with wood floors. The interior boasts a bright triple aspect sitting room featuring a centrally position chimney breast, bay window, double glazing and French doors to the front. An expansive open-plan kitchen/dining room with a glazed front extension offers underfloor heating and double glazed doors leading to the garden. Off the welcoming entrance hall is an office/family room which could also be used as a fourth bedroom, W.C., and bathroom with a separate shower.

The first floor hosts two generously sized double bedrooms with built in cupboards and views across the rear of the property. Further stairs lead up to a family/play room which then leads through into the principal bedroom with ensuite bathroom and further eaves storage space.

Outside, the property offers off-road parking for two cars on a gravelled driveway, alongside a gate leading to a front garden. The garden is predominantly laid to lawn surrounded by a selection of mature shrubs and features a wooden decked seating area to the side of the property.
