Modern partly tiled walls behind the hand wash basin and toilet. Matching tiling around the shower unit with built in shelves with lighting. Stylish chrome heated towel radiator along with a white wall mounted towel radiator. Modern tiled flooring. Double glazed frosted window to the rear aspect. Extractor.

Outside

To the front of the property is a block paved driveway way providing off road parking for 1 -2 cars along with a raised planted border.

To the rear of the property is well maintained, landscaped terraced gardens arranged as 5 terraces. The first area creates a lovely paved sun patio with a glass veranda. On this level there is also a secure brick built storage room with double glazed French doors opening into max space with a draining floor, perfect for wetsuits and people into their water sports. On this terrace is there also an outdoor tap and outdoor electrics. There are paved steps leading up to the further sections of the garden. The next two terraces comprise two level areas laid to artificial lawn. With space for seating and planted pots providing a low maintenance finish. On the fourth terrace there is a charming fish pond with a characterful water feature. On this level there is also a decked area topped with artificial lawn creating a fantastic patio area to enjoy outdoor seating and dining. This section is a real sun trap. The final terrace consists of a large concrete patio area along with a greenhouse house and timber built storage shed. On this level there is also a work shop with fitted work surfaces and storage cupboards along with power and lighting. The workshop could also create a perfect summer house perhaps. On each level of the garden there is outdoor lighting and outdoor water supply.
