Offers in excess of £400,000

A spacious 3 bedroom semi detached family home together with a lovely mature south facing corner plot garden, offering genuine potential for modernisation and enlargement (STNPC) and is located in a popular residential setting close to local shops and amenities.

This attractive semi detached house stands on a substantial corner plot within good sized and well established south facing gardens, offering enormous scope for expansion of the current lay out both at the rear of the property and to the side, subject to the usual planning requirements.

Approached by a private driveway leading to an attached garage, the house also requires general updating and redecoration and the chance to create a bespoke family home while adding considerable value in the process.
