£500,000

A first floor apartment with two bedrooms and a good sized balcony located within the centre of Wimbledon. There is a high specification throughout, including German & Italian appliances in the kitchen.

Incorporated into the build is a truly energy efficient design, including high thermal and acoustic insulation meaning there will be very low running costs and that the property stays warm in the winter, and cool in the summer.

Please note - Whilst every effort has been made to accurately portray the development, CGI images have been used, alongside indicative floorplans produced from the planning documents.
