

Adys Road, SE15

This natural four bedroom period house has been updated and remodelled throughout.

The double reception room has been fully opened up to the entrance hall and is noticeably bright with large windows and high ceilings. The kitchen benefits from having integrated appliances, an island accommodating additional seating area and bi-fold doors leading out to a low maintenance landscaped rear garden which is well balanced with raised borders and artificial lawn.

Upstairs the first floor provides a three piece bathroom suite and two well sized double bedrooms of which the master benefits from having a dressing area leading on to an en-suite. The third and final floor then benefits from a further two double bedrooms both fitted with en-suite bathrooms.

Adys Road is a sought after residential street perfectly positioned within easy reach of the shops, restaurants and bars of Lordship Lane. Mainline rail links can be found at both Peckham Rye and East Dulwich Stations, whilst the open spaces of Goose Green and Peckham Rye Park are easily accessible.
