Streamline Mews, SE22

This exclusive and convenient modern gated mews development is a great rarity in and around Dulwich. The houses, built in 2002, offer a different lifestyle in an area of predominantly Victorian and early Edwardian terraces.

Accommodation is spacious, bright, well-designed and fitted to a high specification throughout. The ground floor has been redesigned by the current owner to offer a wonderfully large reception area with modern open-plan kitchen, fitted with granite worktops and good-quality appliances. It has double-glazed doors and windows onto an attractive, low maintenance garden. There is also a cloakroom/WC off the hall.

Upstairs has an excellent balance of bedrooms and bathrooms, with the main bedroom benefitting from an en suite shower room and a good family bathroom serving the remaining three double bedrooms.
