Positioned close to Mudeford Quay and Avon Beach, this end of terrace house is available for the first time since it was built over 40 years ago. Located in a popular residential area with convenient access to local schools and shops, the property has been a much-loved family home and offers excellent potential.

It is well presented throughout and shows it has been well maintained but would now benefit from some modernisation. The accommodation comprises an entrance hall, through lounge/dining room, fitted kitchen, three-bedrooms and family bathroom. In the rear garden there is a workshop and garden shed with side gate access out to the garage which is situated in the block behind the property.

A key feature is the generous plot to the side of the house – ideal for extending the current footprint or for possible development of an additional dwelling, subject to the necessary planning consents.

An increasingly rare opportunity in a desirable coastal setting.
