This immaculately presented property, in a former chapel, was previously a vestry and the Sunday school for the friendly village of Abergynolwyn. Jerusalem Vestry offers contemporary open plan living, within this stunning and characterful conversion. Every room, including the landings are generously sized, with useful storage space on every floor. Full height windows make the most of natural light and views. The ground floor features a fitted kitchen dining space and lounge area with oak flooring. There is a separate utility and cloakroom. On the 2nd floor there are 2 large en-suite bedrooms. The upper floor is a fabulous guest/office suite, with a 3rd shower room. Oil central heating and a ventilation and heat recovery system maximise heating efficiency, and provide the living spaces with fresh, filtered air. Double glazing and an exceptionally high level of insulation ensure affordable comfort all year round. The property was re-roofed in 2019.

The walled paved courtyard, with BBQ, is perfect for outdoor entertaining and a secure area for pets. There is unrestricted parking to the side. Previously a lucrative holiday let, it is currently registered as a principal residence, sold with no chain. There is also the option to purchase Capel Jerusalem; a 2 storey, 4 bed/bath property.

Located in a UNESCO World Heritage Site, in Snowdonia National Park, Abergynolwyn is surrounded by beautiful unspoilt countryside. The famous Talyllyn Railway, one of the oldest narrow gauge railways in the world runs from Abergynolwyn to the sea and sandy beaches of Tywyn, just seven miles away. Bus services are available to Dolgellau, Barmouth, Aberdovey and Tywyn. There is a cafe in the village hall and the popular Railway Inn is the hub of village life.
