This gorgeous villa is located in the exclusive residence of Altea Hills and consists of 3 floors, one of which is intended for guests. In this house, there are 5 bedrooms and 7 bathrooms. The total living area of the house is 475.44 m², and the total area of the plot is 913 m². Open parking is designed for 2 cars, also in the house, there is a garage for 1 car with a charger for an electric car. At the beginning of 2024 it was made a complete renovation of the house, as a result of which not only cosmetic changes were carried out, but also an upgrade of internal systems. The house has an underfloor heating system, central air conditioning, a smart house system, electric blinds, solar panels for heating water, as well as electric locks on the entrance doors and gates to the garage, a built-in safe and an alarm system. The internal elevator provides access to all floors of the house. The house's exterior impresses with its spacious terraces, a garden, a pool, and a barbecue area, creating a beautiful space for a comfortable rest. This villa is an exceptional place to live, on the p
