# Find clarity in living

Meadow Court is an exquisitely designed collection of thirty-nine two and three bedroom apartments, set within the leafy suburb of Iver, Buckinghamshire, yet within easy reach of the city.

**It is the perfect place to call home and unwind, leaving you time to reflect and find clarity.**

Maybe where there's clarity of air,  
there's clarity of thought.

## Surrounded by green space

Meadow Court's gated entrance and underground parking are complemented by beautiful landscaped gardens and framed by mature trees bordering the green belt.

Each apartment benefits from two allocated parking spaces, with at least one situated in the underground car park. There are additional visitor parking spaces and communal electric charging points at ground level.

# Welcome to Kebbell quality

A superior quality of finish and attention to detail are the enviable qualities that define a Kebbell home. Our ethos 'For How You Live', ensures that we put our customers needs at the heart of our home designs, creating homes to suit every lifestyle, now and in the future.

There are numerous walks along historic stretches of the Grand Union Canal or glorious open countryside such as Little Britain Lake.

## Town and country

Iver is in the heart of Colne Valley Park, forty square miles of countryside just to the west of London. It is a network of country parks, lakes, rivers and canals, with farmland and nature reserves knitting it all together. Just a mile or two from Meadow Court, you have endless choices for rural pursuits and outdoor life.

# Elizabeth Line Connections

Iver station, just a few minutes drive away, has recently been upgraded to form part of the Elizabeth Line. Great news for commuters and investors alike.

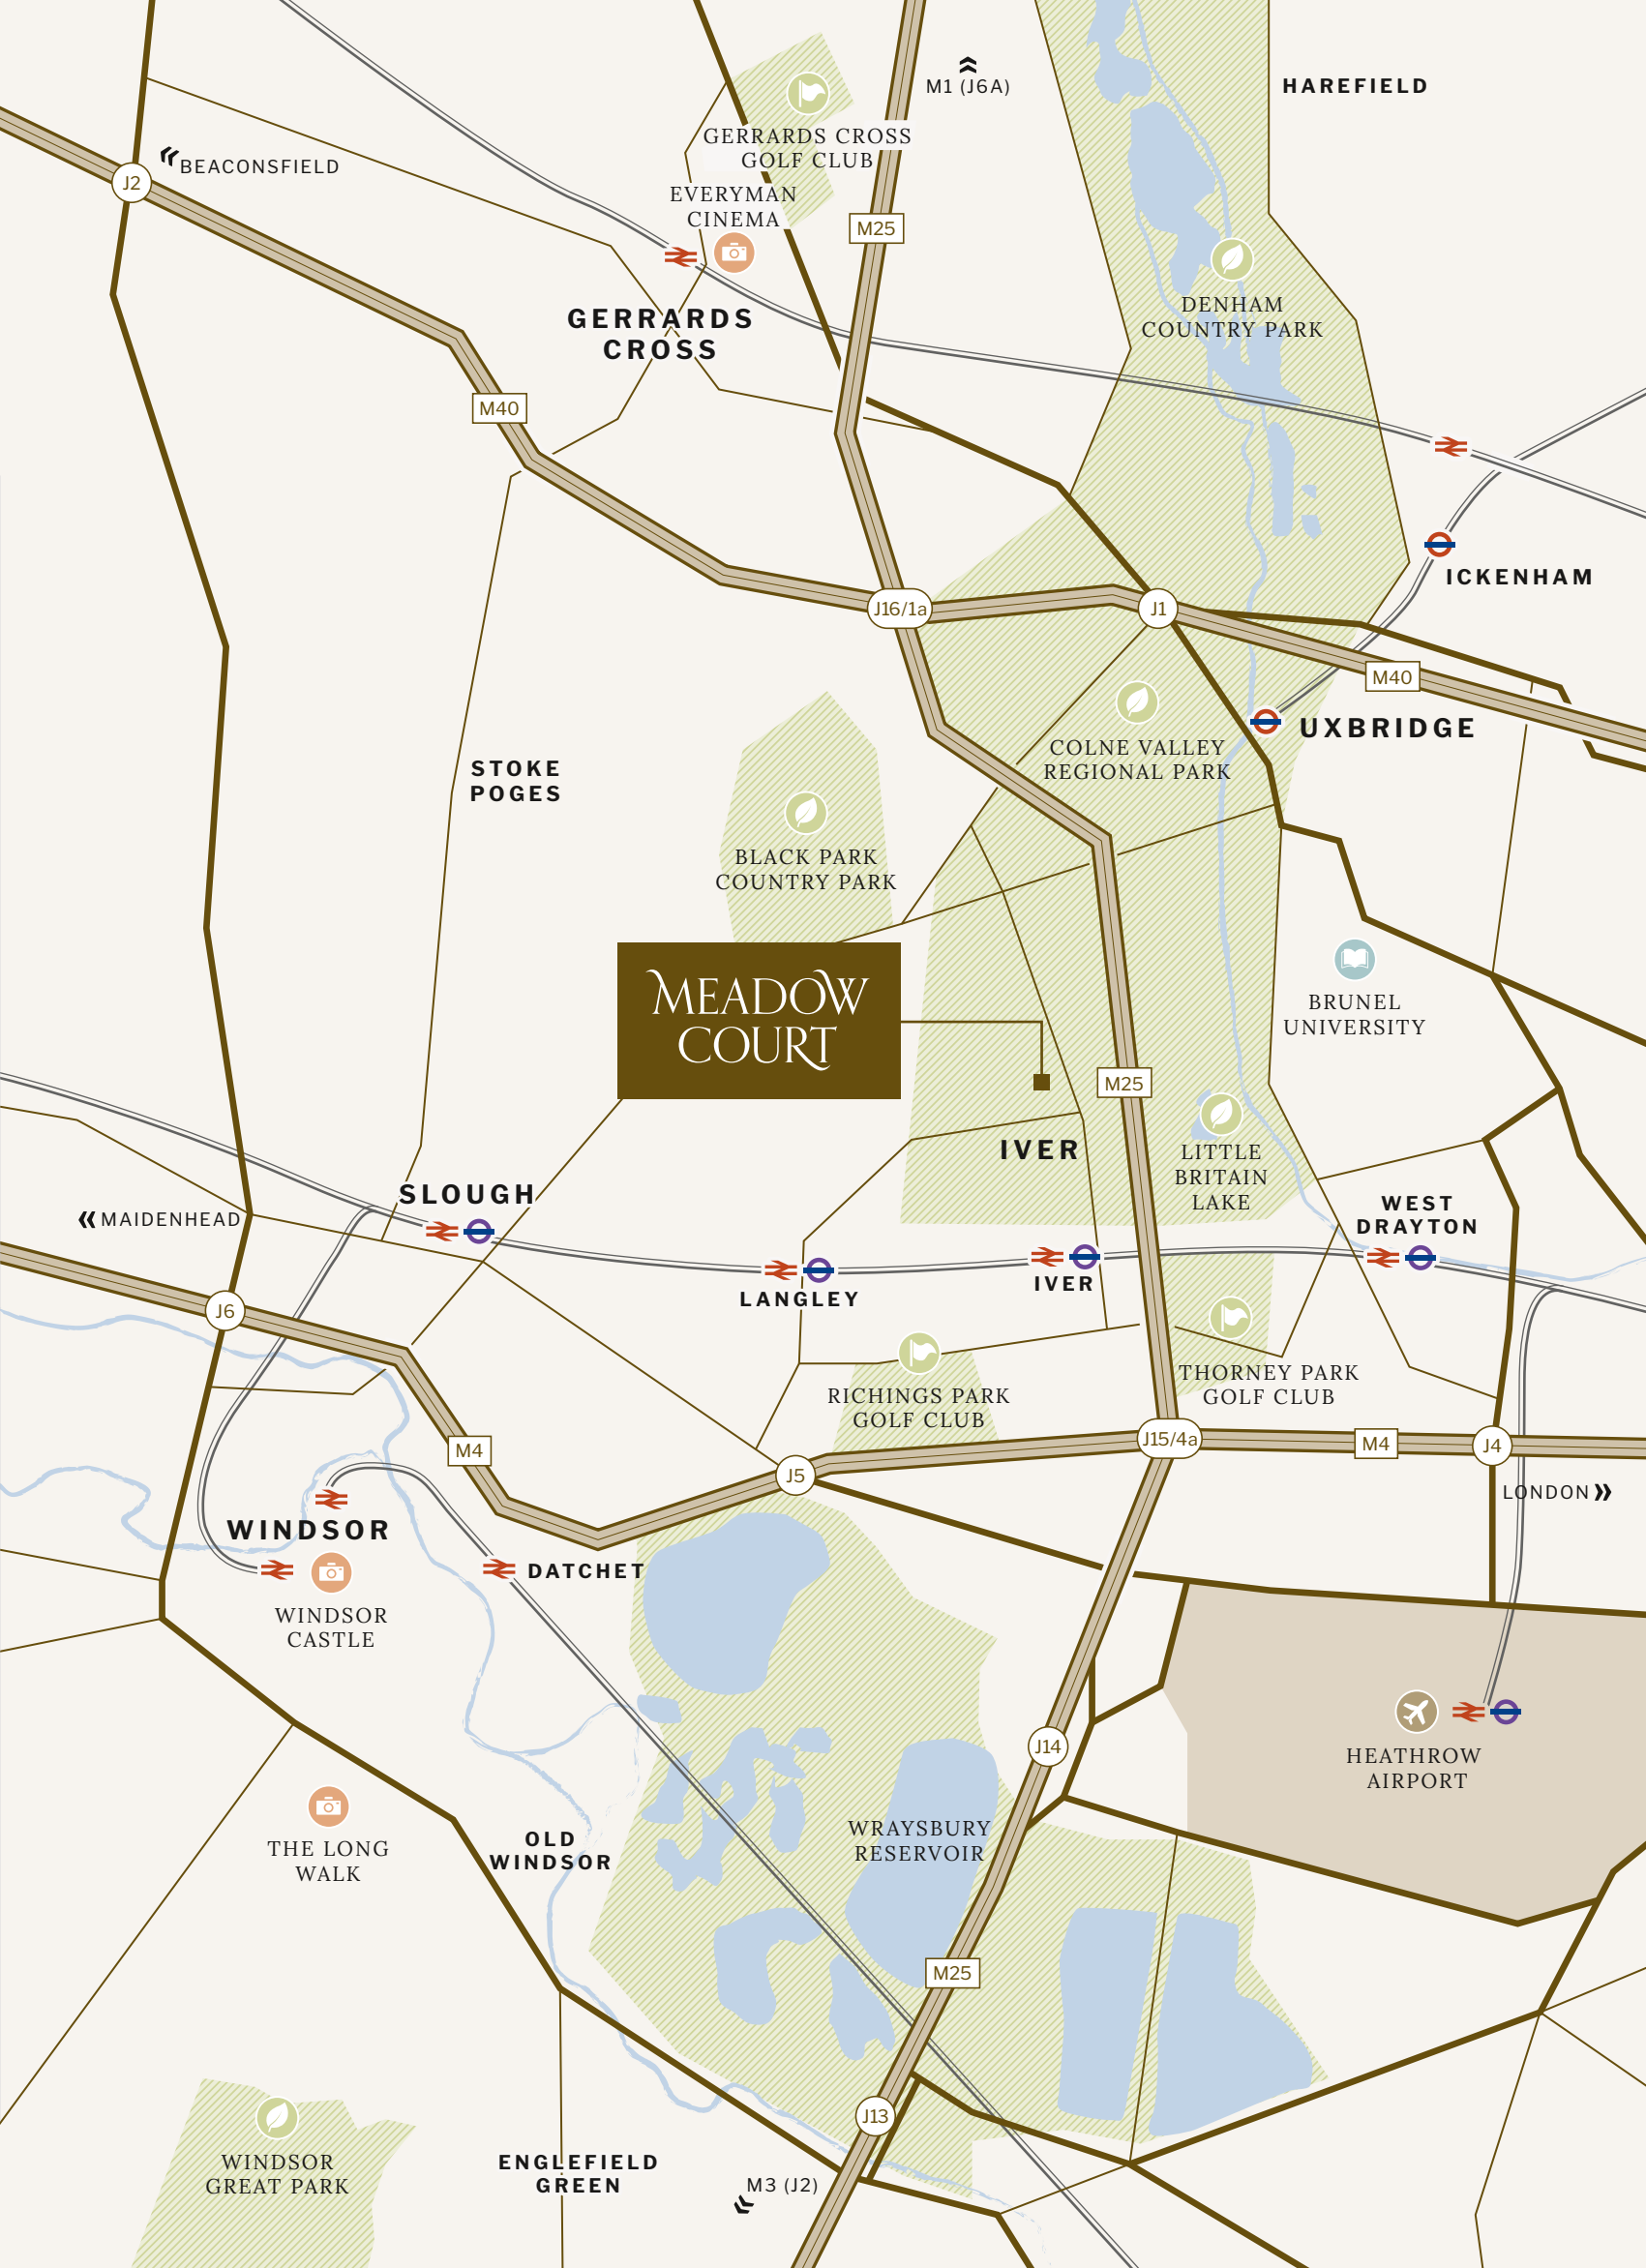

Meadow Court is a four minute drive to the station, then once on the train it's thirty-seven minutes to Bond Street, forty-four minutes to Liverpool Street, and fifty-one minutes to Canary Wharf. All very appealing 'pillow to platform' travel times.

By road Iver connects easily to the M25, the M4 and the M40. Heathrow Airport can be reached in as little as thirteen minutes.

All timings are approximate. Source: tfl.gov.uk

Bathrooms and en suites are exceptionally stylish, with contemporary white sanitaryware and mirrored cabinets or wall hung vanity units.

# Luxury as standard

At Meadow Court, you will have underfloor heating; extremely high quality tiling, sanitaryware, fixtures and fittings; plus much more storage space than in the average apartment. The luxurious kitchens have stone work surfaces and there are multiple Sky points throughout. These items are all included as standard. That's the Kebbell difference.

## All in the details

You'll soon discover that an apartment designed by KEBBELL is no ordinary apartment. We put a great deal of thought into every home we build, from the aesthetics to the practicalities.

At Meadow Court you will have plenty of storage space, power points exactly where you need them, a beautiful, perfectly planned kitchen and bathroom, and luxurious underfloor heating, something which is now standard in every KEBBELL home.

## Traditional design and construction

- Meadow Court is constructed using traditional brick and block method, feature brickwork, keystone lintels, black rainwater goods, and double-glazed PVCu windows.
- Glazed doors with sidelights form the communal entrances to each building, leading to lifts from the basement car park to all floors.
- The balconies, communal stairs and ramp railings have black powder coated balustrades.
- High standards of heat and sound insulation, with underfloor heating to the apartments, add immeasurably to interior comfort and energy efficiency.

## Kitchens

- Cooking, dining and entertaining is a sheer pleasure in Meadow Court's well-designed and well-equipped kitchens.
- Each is created using matt finish, soft-closing cabinets, paired with durable, 20mm Silestone work surfaces, mirrored splashbacks, LED under-cupboard lighting, and instant hot water taps by Insinkerator.
- High quality Bosch appliances are built-in and include: a single wall-mounted oven, ceramic hob, microwave, integrated fridge/freezer, integrated dishwasher and extractor.
- A washer/dryer is installed in the kitchen; or where there is a utility room space, plumbing and electricity has been fitted ready for your own appliances.

## Wall and floor finishes

- Luxury Karndean vinyl flooring is fitted in the kitchen/dining/living and utility, with ceramic Minoli tiles to all bathrooms and en suites.
- Walls are painted in a contemporary shade with woodwork in gloss white. Ceilings are painted in white emulsion.

## Doors and wardrobes

- Glazed doors link the kitchen/dining/living rooms to the hall or living room (where separate), admitting optimum light and creating the feel of seamless space.
- Principal bedrooms include fitted wardrobes by Space Pro with sliding doors, shelves and rails. No. 35 has a dressing room.

## Bathrooms and en suites

- Stylish white Roca sanitaryware makes the bathrooms and en suites streamlined and contemporary.
- En suites or bathrooms include a wall hung vanity unit with useful storage. For your ultimate comfort, the bathrooms and en suites have individually controlled underfloor heating, as well as electric chrome towel radiators with thermostatic control.

## Step outside

- Access to Meadow Court is via black wrought iron electric gates for security and privacy.
- Meadow Court is set within 1.75 acres of landscaped gardens with tree-lined boundaries and overlooks fields within the green belt.
- Each apartment has two parking spaces, with at least one in the basement car park.
- There are three visitor parking spaces.
- All communal areas, including the driveway, car park and podium have dusk to dawn controlled low energy lighting.

- Paths and terraces are surfaced in riven buff stone coloured paving, while the driveway and entrance to the car park are tarmac.

- The landscaping has been individually chosen to add maturity, privacy and tranquillity.

## Safety and security

- Of the utmost importance, multiple features are included to ensure well-being and safety.
- The entrance to Meadow Court is protected by electric gates, opened by video entry phone and vehicle detection from the inside, and by fob or code operated keypad from the outside.
- All apartment front doors are of high security construction with multi locking points and all have a Comelit video entry system.
- Inside the apartments, there are additional layers of safety and peace of mind in the form of mains-operated smoke, carbon monoxide and heat detectors with battery backup.

## Long-term peace of mind

- Every home is covered by the ten-year NHBC Buildmark Warranty and sold with a 999 year lease.

## Sustainability

- 10% renewable energy for communal use is supplied by integrated solar photovoltaic roof panels. Each apartment is fitted with underfloor heating throughout, which is not only energy efficient but brings a comfortable touch to all floors.
- There are four electric vehicle charging points in the car park for private use by Meadow Court residents.

## Connectivity

- Each apartment is fitted with an ultra-fast fibre broadband connection (subscription required)
