

‘Stress less’ with the mortgage subsidy scheme

Receive £400 per calendar month paid towards your mortgage for twenty-four months when you buy a new Kebbell home.

What is the mortgage subsidy scheme?

At Kebbell we understand your budget to purchase a new home may be stretched with the recent rises in interest rates. Coupled with rises in the cost of living, your monthly outgoings have increased and together these may be restricting your ability to purchase your dream new home.

In recognition of this we are delighted to offer the Kebbell Mortgage Subsidy Scheme.

Upon legal completion of your new home, Kebbell will pay a fixed amount towards your mortgage for twenty-four months.

So why wait! We hope this will give you the confidence to secure your new Kebbell home from us today.

The requirements

- Available on Kebbell homes up to a value of £500,000.
- £400 per calendar month will be paid by standing order for twenty-four months from the date of legal completion.

It's as simple as that!

Please contact your Kebbell representative for current availability of homes and prices or visit our website at **kebbell.co.uk**, email **sales@kebbell.co.uk** or telephone **020 8901 8703**.
