**2** Bridgend Cottages is on the left and you enter through the front door into a small hall area (with two useful built-in storage cupboards), flowing openly into the living accommodation. The open-plan kitchen, living and dining room offers space for both lounge and dining furniture and features French doors opening onto a decked terrace in the rear garden. The kitchen is neatly fitted to one corner and consists of classic cream cabinets and workspace, splashback tiling, and a selection of freestanding appliances. This could easily be on-site accommodation for someone to run site and be hands-on. Would also be a very successful AirBnB or Holiday let.

A shower room completes the ground-floor accommodation, and the cottage's double bedroom can be found on the first floor, supplemented by a walk-in cupboard. The cottage is heated by an air-source heat pump with underfloor heating, and shares a septic tank with number 3.

Outside, in addition to the decked dining terrace, number 2 is accompanied by a paved rear garden for easy maintenance.

**The property was previously let at £350 PCM. A copy of the old lease is available upon receipt.**

## Directions (From Brodick)

Turn right on leaving the ferry terminal, through Brodick village. After passing the golf club and primary school, the main road bends sharp right, but the B880 (String Road) is directly ahead. Follow the String for about 7 miles, Bridgend Cottages and Campsite is another  $\frac{3}{4}$  of a mile on the left. Please come through the gated entrance with Bridgend Campsite on it.

# The Area

**B**ridgend Cottages and Campsite are situated on the outskirts of the small village of Shiskine, which provides local amenities that includes a primary school, two churches, medical centre and a regular bus service. The property is also within easy reach of local facilities at Blackwaterfoot, including Post office, newsagent, butchers and general store. The renowned Kinloch Hotel has a swimming pool, which is open to non-residents. The Shiskine Golf Club is approximately 11 miles South West of Brodick, off the A841 and at the western end of the B880 (known as "The String") which traverses the island from the main centre and ferry port of Brodick. The secondary school is located in Lamlash to which pupils are conveyed daily.

**B**rodick (the main town of Arran) has two larger Co-Op supermarkets and a good range of further professional services. Brodick is the port from which a regular daily sailing service by Caledonian MacBrayne leads to the mainland at Ardrossan. Commuters and travellers now benefit from Road Equivalent Tarrif (RET) ferry fares, which are substantially lower than before. Ardrossan has a main line rail station, with trains to Glasgow that connect with the ferry times, and is approximately 30 miles from Glasgow City Centre. Prestwick International Airport is 16 miles to the south of Ardrossan, with Glasgow International Airport 24 miles east of Ardrossan.

The Isle of Arran is Scotland's most southerly and accessible island. Sitting in the Firth of Clyde between Ayrshire and Kintyre, Arran is arguably one of Europe's most beautiful islands and is often described as "Scotland in miniature". The island is 19 miles long by 10 miles wide but has a remarkable diversity of landscapes. Arran offers a wide range of recreational facilities including; walking, pony trekking, golf, fishing, bowling, tennis, boat and cycle hire.
