What we do

We are a property developer and manager with a proven track record for delivering high-quality homes in thriving Communities right across the UK. With us, you can look forward to outstanding quality and service, because we handle the whole development process — from acquiring the land, planning our sites and designing our homes, to building and selling or renting them.

As the UK's leading Social Enterprise, our overriding purpose is to create homes where Community matters. From small housing developments to large-scale regeneration projects, we tailor our homes to the needs of local people, take responsibility for our environmental impact, and put People First to build a sense of Community.

Our approach

With more than 50 years' experience of managing and developing homes, we know what it takes to build happy, healthy and inclusive places to live. All our Communities are delivered by our award-winning, specialist placemaking, property investment and management companies across the UK, who ensure the places we create meet a variety of needs, not just now but well into the future. Where others think in years, we think in decades.

What makes us different

We believe our homes should be attainable for everyone, which is why we offer a wide range of buying options. So, whether you're taking your first step onto the property ladder or looking for your forever home, there's a place to suit your individual needs.

We listen to our customers too – and give them what they ask for: bright, spacious homes with flexible living areas that easily adapt to work or play, plenty of storage and that all-important private outdoor space. In our well-connected Communities, you'll have all the services and facilities you need on your doorstep – from shops, restaurants, schools and healthcare to beautiful green open spaces offering a natural retreat from the busyness of modern life.

Because when you buy from us, you're not just buying a home – you're buying into a Community; a place where you can belong, build connections and put down roots to last a lifetime.

steps to secure your dream home

Here's what your home buying
journey looks like...

Purchasing a Places for People home has never been easier. Whether you're buying for the first time or you're an existing homeowner looking to move up the ladder, we've kept things simple so you're free to enjoy this next exciting phase.

Book a viewing

Arrange an appointment to come and see us in person. That way you can explore our Community first-hand and discover for yourself why it's the perfect place to put down roots.

Determine your budget

You should apply for a 'mortgage in principle', which confirms how much you can borrow — and — more importantly — how much you can afford. We can refer you to an Independent Financial Advisor (IFA).

Instruct a solicitor

Now you've reserved your new home, it's important to instruct a solicitor to handle the legal aspects of the purchase. We can recommend independent solicitors or you can choose your own.

Exchange contracts

This is when things become official! Once you're happy with the legal contracts, you can sign them, pay your deposit and arrange a completion date — the point your new home is legally yours.

Attend a home demonstration

Before completing, we'll arrange for you to attend your new home demonstration — a great opportunity to get to know your new home and understand how everything works before you move in.
