About the Project

The residential complex "Long Beach" in Northern Cyprus invites you to experience a world of luxury and refinement. Our blocks offer a variety of housing options: studios, apartments with one and two bedrooms, as well as exclusive penthouses. Inspired by the canals of Venice, a unique water channel stretching 400 meters adorns the inner courtyard of the complex, inviting you to boat rides. We provide beach transfers for all residents, ensuring easy access to the sea.

Our complex provides everything you need for a comfortable and diverse lifestyle. Here, residents can enjoy swimming pools, a spa center, a gym, an aqua park, a basketball court, and an amphitheater. Additionally, five exquisite dining venues and bars await, offering a range of culinary delights and beverages to satisfy even the most discerning palates. For everyday necessities, our shopping center offers a wide selection of goods.

Join us and discover a new standard of comfort and beauty in your life.
