About the Project

This new residential complex in Yenierenkoy area combines modern design and the highest standards of construction quality. This complex will be an ideal choice for those who appreciate comfort, safety and style.

The main characteristics of the complex:

Heat and sound insulation: High-quality insulation (Weber) will provide comfort and silence in your home.

Windows and doors: Aluminum double-glazed windows and windows will ensure durability and elegant appearance.

Interior: Laminate floors (AGT) and built-in cabinets with a soft closing system will create a cozy and functional environment.

Kitchen and bathroom: High-quality ceramic and porcelain tiles (120/60) from Etna, Decovita, Frig. The kitchens are equipped with LED lighting and full-size suspended ceilings.

Exterior finish: Special exterior coating, resistant to environmental influences, and wooden pergolas systems.

Construction: Monolithic concrete and high-quality plaster for reliability and durability.

Plumbing: Built-in sanitary ware from well-known brands (Vitro, Duravit) and high-gloss kitchen cabinets.

Safety: Special anti-slip materials around pools and playgrounds.

Power supply: Electric water heaters (Boymak, Demirdöküm) and generators for uninterruptible power supply.

Household appliances: Built-in kitchen and sanitary appliances from world manufacturers (Artema, Vitro, Grohe).

Climate control: Multi-speed air conditioning system for each villa and apartment.

Landscaping: Barbecue areas and a kitchen on the terrace (Vista, Amar), special pools with waterfalls and recreation areas (Vista), as well as infrastructure for installing a Jacuzzi.

The residential complex in Yenierenkoy is a harmonious combination of luxury and functionality. Everything is provided here for a comfortable life and recreation for your family.

Book your perfect home today and enjoy the comfort and coziness in one of the best neighborhoods!
