The Dock

# Reconnect your workforce at The Dock

The Dock is a striking and contemporary building comprising 47,786 sq ft of refurbished Grade A office space. Set alongside the Grand Union Canal, The Dock is only 100m from Kings Langley station (Euston 27 minutes) and 1/2 mile from J20 on the M25.

# The Dock

Built in 2015 as part of a campus of three buildings, The Dock has excellent natural light throughout with floor to ceiling glazing and a large central atrium. It has been subject to a comprehensive refurbishment including a transformed reception and atrium offering a relaxed breakout space and agile working areas.

## KINGS LANGLEY

The building offers the best of both worlds to a modern occupier.

It is situated in a highly accessible location making it easy for staff and visitors to access the building being only a 2 minute walk from Kings Langley Train Station, 3 minutes drive from Junction 20 of the M25 and only 6 minutes drive from the M1.

Once staff are there they then have the benefit of having the oasis of the countryside on their doorstep with the Grand Union Canal running adjacent to the building. Whilst it's unlikely they will be able to take in the whole 147 mile route from Paddington to Birmingham in their lunch break, it does offer a great opportunity for those looking to get in a walk, run or cycle on their lunch break or even commute.
