A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Applewood.

Mirfield is only five miles from Huddersfield and 12 miles from Leeds, with the M62, three and a half miles away, offering easy access to Manchester and the east midlands. Frequent train services between Leeds and Manchester stop at Mirfield. Leeds is around 35 minutes away by rail, while Huddersfield is just a 15 minute trip. In addition, there is one direct train per day between Bradford and London King's Cross.

Bus services between Brighouse and Huddersfield run approximately once an hour, stopping a few yards from the development. A wider range of bus services pass through the town centre, and a spur of National Cycle Route 66, linking Huddersfield, Bradford and Leeds, starts near the development.

There is a large Lidl supermarket nearby, and some local shops, including convenience stores, half a mile away around Calder Road. Mirfield's attractive and lively town centre, ten minutes' walk from Applewood, offers a full range of shops, from traditional butchers, bakers and hardware stores to pharmacies, fashion and specialist shops. There is also a large Co-op with post office services, and an assortment of food takeaways. The selection of restaurants and pubs ranges from fine dining to cafés and pleasant bars, including the delightful Flowerpot, a rustic pub and riverside beer garden, a short stroll from the development.

Welcome home

Set between open countryside and the beautiful River Calder, and a short walk from the shops and amenities of Mirfield, this attractive selection of modern, energy efficient three, four and five bedroom homes combines a peaceful, open setting with excellent local schools and shops. Fronted by an attractive open green space with a play park, the homes offer a perfect base for Huddersfield, Leeds and the North. Welcome to Applewood...

The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

In addition to outdoor leisure opportunities such as walks alongside the River Calder, boat trips on the canal and exploring the local woodlands, Dewsbury District Golf Course and Ladywood Lakes Fishery are both less than a mile away and there is a gym in the town centre. Other local attractions include Dewsbury Country Park, The Ponderosa, a zoo dedicated to animal welfare, and the Mirfield Show, a popular family fun day held every August. The New Picture House community cinema in Dewsbury, three miles away, is due to reopen after some refurbishment, and Huddersfield offers a choice of entertainments and nightlife, including theatres and a cinema.

The two nearest schools, Hopton Primary and Crowlees Junior and Infant School, are both within fifteen minutes' walk, and are both rated Outstanding by Ofsted. The town also has two secondaries, Castle Hall and The Mirfield Free Grammar School. Mirfield Health Centre, with seven doctors and an adjacent pharmacy, and the large Wood Dental practice, are both located in the town centre.
