

Uniquely versatile serviced offices in the South East

Bourne House

Junction 6 M25 Godstone/Caterham

Running a small business doesn't mean you can't think big. We understand how difficult it can be to find spacious accommodation in a prime location that doesn't involve signing a long lease. Now you can enjoy all the benefits of an ultra-modern, fully-serviced office - without committing yourself to a long-term agreement.

In addition to a spacious conference room on each floor, Bourne House offers a welcoming reception area, switchboard service, daily postal collection, café and excellent toilet/shower facilities. There is disabled access at ground level and free car parking for both staff and visitors.

Located just minutes from the M25 and 5 miles from Central Croydon, this imposing building is a short walk from Whyteleafe South main line station with its frequent train service to London and the South.

We offer flexible agreements rather than a long term lease. One all inclusive monthly payment covers the cost of office rental, electricity, water, business rates, buildings insurance, cleaning and maintenance, broadband internet and telephone calls.

For small businesses seeking superior accommodation and a truly professional image, Bourne House offers the ultimate office environment.

Our prestigious complex at Bourne House in Whyteleafe offers one of the most impressive office environments in the South East. This high quality development of 50 luxury offices extends to two floors. Designed to help you work more effectively and flexibly, units accommodate from 2 to 40 people and can be extended by means of inter-connecting doors to create entire office suites for growing businesses.

Fully air conditioned and centrally heated, each office is stylishly decorated and furnished to provide a comfortable, relaxed atmosphere.
