LOCATION

Link Park benefits from one of the highest profile locations within the Central Belt on the M8 corridor between Glasgow (15 miles) and Edinburgh (30 miles). Situated directly off the 4-way Junction 6 of the M8 motorway, Link Park provides immediate access to and from the motorway network with the Baillieston Interchange lying 3 miles to the east linking the M8, M74 (M6) and the M73 motorways.

Both Glasgow and Edinburgh International Airports can be reached within approximately 30 minutes from Link Park and the Air Freight terminal at Prestwick Airport is within a one hour drive. Scotland's first freight terminal is also within 2 miles of the site and provides rail services throughout the UK and Europe. Scotland's largest cargo port at Grangemouth is within easy reach, approximately 30 minutes' drive to the north. The site itself is accessed from the A775 Edinburgh Road with nearby occupiers such as the **Co-operative, Brakes, XPO, WH Malcolm, Rokbak/Volvo, Resideo/Honeywell, Wincanton, Lidl, Amazon, Next, UPS, Halfords, DPD, Scania, Brewdog, SIG, NHS** and **Morrisons** providing testament to the area's strategic location.

Link Park also lies in close proximity to a **Premier Inn** and **Dakota Hotel** both of which are within a one minute drive.

DEVELOPMENT

Developed by Fusion Assets Ltd, Link Park occupies one of Scotland's best industrial locations.

Having successfully completed Phase 1 (comprising 3 units, totalling 20,000 sq ft and leased to **Halfords, Apleona** and **Swagelok**) construction is now underway on Phase 2; a high specification Net Zero Carbon Enabled industrial building of 15,500 sq ft, available for occupation in December 2023.
