Upon entering, the entrance hallway leads to an inner hallway which provides access to all the main rooms including the open plan living dining room, primary bedroom, bedroom two, contemporary shower room and a useful utility cupboard with dark worktops, space for a washing machine and dryer, and storage for the electrical fuse box.

The spacious open plan living dining room is thoughtfully designed to maximise natural light and comfort. The living area features grey wood grain effect flooring and a corner window with elevated views towards the historic mill buildings—offering a characterful backdrop to the modern setting.

The adjoining kitchen is stylish and practical, fitted with white high-gloss units complemented by dark wood-effect worktops and chrome handles. The primary bedroom also benefits a well-appointed en-suite bathroom with a white three-piece suite, tiled splashbacks, glazed shower screen, and a chrome heated towel rail. The second double bedroom is equally well-sized and features built-in mirrored sliding wardrobes and a TV point. A separate shower room serves this bedroom and guests alike, finished in a matching contemporary style.
