The Detail

This substantial and highly versatile detached home offers a wealth of flexible living accommodation across three floors, thoughtfully designed to support a range of lifestyle needs. Entry is via a feature dark oak door, leading into a bright entrance porch with a curved ceiling and onward to a spacious hallway that sets the tone for the scale and character found throughout the property.

The main lounge is a well-proportioned, light-filled space with garden-facing windows, a charming feature fireplace, ornate tiled backplate, and ambient wall lighting. Across the hall, the side-wing family room features a brick-built fireplace, tiled hearth, exposed ceiling beams, and dual-aspect garden views—an ideal setting for a second sitting room, games room, or media space.

The kitchen is fitted with extensive matching units and work surfaces, with space for a cooker and integrated plumbing for a dishwasher. A breakfast bar makes for an informal dining area, supported by a well-equipped utility room with Belfast sink and additional appliance space, plus a walk-in pantry with room for both fridge and freezer units. A rear hallway leads to a dedicated office space with WC—ideal for home-based professionals or welcoming clients privately.

On the first floor, there are five generous double bedrooms, arranged to provide privacy and flexibility. The master suite features dual fitted wardrobes and a spacious en-suite shower room, while a further double bedroom enjoys access to a second en-suite bathroom with sunken bath. A large airing cupboard offers practical storage, and all rooms enjoy pleasant views over the gardens.

A standout feature of the property is the top floor, offering three sizeable loft rooms plus a landing area, ideal for conversion into home offices, studio space, or children's playrooms.

Externally, this property excels in both scale and potential. The garage and workshop complex is vast and includes six individual garage units (one with an inspection pit), two generous workshop spaces, and a large detached double garage, all with power, lighting, and a dedicated separate heating system.
