LOCATION

Bellshill Industrial Estate is located in Scotland's central belt, strategically positioned on the M8 corridor approximately 12 miles east of Glasgow and 37 miles west of Edinburgh. Bellshill offers best in class road connectivity across Scotland via Junction 7 of the M8 and Junction 8 of the M73. Access to south west Scotland and England is via Junction 5 of the M74. Scotland's key rail freight hub GB Railfreight, operated by Maritime, is readily accessible via the A775, connecting the site to the wider British rail freight network.
