Nestled in Witherley, this distinctive development, rich in history, comprises seven remarkable conversions and a spacious new-build detached home.

The former Kennels, meticulously revitalised by the esteemed Swift Homes, offer an unparalleled standard of craftsmanship. With captivating views of the surrounding countryside, these character-infused properties are individually tailored, ranging from two to five bedrooms. Anticipated for completion in Summer 2024, these luxury homes epitomise bespoke living.

Positioned within the intricately designed and gated 'courtyard' of the development, Plot 2 offers an exclusive living experience. Crossing the threshold via your bespoke hardwood door, you step into the capacious entrance hallway, marked by a striking staircase. Immediately adjacent, a convenient cloakroom/WC complements the space.

On one side of the property lies the comfortable living room, generously sized with a large window and bifold doors leading to a small yet private garden space. On the opposite side, the open-plan kitchen-dining room, with French doors providing access to the garden, also

benefits from a bespoke horseshoe shaped kitchen area. Featuring quality modern country shaker-style units, Quartz worktops, inset Belfast sinks, and a suite of integrated appliances, including a built-in fridge and freezer, Bosch eye-level double oven, 5-burner gas hob, dishwasher, and wine fridge. A thoughtfully incorporated utility/boot room, equipped with additional units, a Belfast sink, and provisions for a washing machine and tumble dryer, adds to the functionality and provides additional access to the property with a composite rear door.
