Get to know the property

This rare opportunity and unique property is not one to be missed; a deceptively spacious, two bedroom 'fisherman's cottage' boasting a delightful garden and balcony with sea views across Morecambe Bay - perfect for admiring those impressive coastal sunsets!

Character features such as a stained glass window, open wooden beams, picture rails are further benefits to this charming property.

To the ground floor the property offers two generous reception rooms and a useful ground floor WC. Furthermore, a modern fitted kitchen is located on the same floor with integrated oven, microwave, dishwasher, washing machine, gas hob and extractor hood. To the lower ground floor is a carpeted basement which is ideal for storage, with a range of fitted cupboards and a large window.

Rooms to the first floor include a stunning bathroom suite with shower cubicle, free standing corner bath, WC and 'his and hers' sinks, plus the two double bedrooms, one of which has sliding doors opening out to the superb balcony with spectacular uninterrupted views!

Increasing the space and the potential, the property also has the benefit of a partially boarded loft space with electric points.

Externally, the rear garden offers a wonderful patio garden area with gate out to a detached garden; a lawned area with attractive flower and shrub borders surrounding. Following the steps, within the garden, will lead you to a large communal sunken lawn to be enjoyed also.

To appreciate the property and it's versatility for both investors and families, we strongly recommend arranging a viewing at your earliest convenience.

Situated in a great location close to all local amenities including shops, cafes, Post Office, train station and bus routes. The area has also benefits from 'The Bay Gateway' link road, which connects the Morecambe and Heysham areas to the M6 motorway, meaning areas further afield are easily accessible, including the Lake District.
