7-bedroom, Detached house, occupying 0.37 acres, requiring updating and offering huge scope to create the most wonderful family home.

Baker and Chase proudly present this, once in a generation opportunity to purchase this stunning 7-bedroom, detached house, measuring over 4,300sqft, boasting a remarkable layout, and occupying a very generous 0.37 acre plot.

Rarely, does such a fine home come to market. Surrounded by generous, well stocked front, rear and side gardens, and offering a long, side return along Northumberland Road, the house provides excellent, well balanced proportions, both internally and externally.

Once inside, you are met by a beautiful, galleried entrance hall, with fireplace, and wonderful Oak paneling throughout and continuing up the stairs. There is a prominent bay window, benefitting both the entrance hall and the galleried landing.

The ground floor provides three stunning reception rooms, two of which are perfect for entertaining, overlooking the garden and interconnecting with the kitchen. The third is triple aspect, and makes for a wonderful family room. In addition, there is a kitchen, x2 downstairs W/C's, a utility room and boiler/pump room, which also provides side access.

The first floor boasts 7 bedrooms, all of which are considered doubles, and 4 of which are particularly large. There are an additional two bathrooms, with separate W/C's and ample storage throughout.

There are unique architectural and design features throughout, with all of the primary bedrooms rear facing, and window openings cleverly incorporated into every room. There are two stair cases connecting both floors, perfect for families who require professional assistance, or prefer multi-generational living. The reception rooms are accessed via a lobby, which also provides direct access to the garden, a wonderful feature, especially when celebrating special occasions.

Externally, there is currently a single width driveway, leading to a carport. The large garden area the 0.37 acre plot provides ensures excellent exposure to the sun, throughout the day.
