Location

Hockmore Drive is part of a small, well-positioned development on the outskirts of Newton Abbot, just off Haytor Drive. The area is close to countryside walks and local amenities, including shops, a doctor's surgery, and a primary school. A regular bus service connects the area to the town centre. Newton Abbot itself offers a wide range of amenities such as a lively high street with shops and restaurants, schools, a hospital, leisure facilities, and several parks. The location is ideal for commuters, with convenient access to the A380, Torbay, Exeter, the M5, and a mainline train station with direct services to London Paddington.

Accommodation

An obscure double-glazed entrance door opens to the hallway, which includes a storage cupboard, airing cupboard with shelving and water system, a radiator, and stairs to the first floor. The ground-floor cloakroom comprises a low-level WC, pedestal wash basin, radiator, and extractor fan. The dual-aspect lounge benefits from a uPVC double-glazed window at the front and French doors leading to the rear garden. A separate snug/dining room is also dual-aspect with windows to the front and side.

The spacious, triple-aspect kitchen/dining room is light-filled and stylishly fitted with modern wall and base units, rolled-edge work surfaces, and matching splashbacks. The room also features French doors that open to the garden.

On the first floor, the landing provides loft access and a rear-facing uPVC double-glazed window. The dual-aspect master bedroom has windows to the rear and side and includes an en-suite with a walk-in shower, WC, pedestal wash basin, heated towel rail, and obscure double-glazed window. Bedroom two also enjoys a dual-aspect layout with recessed wardrobe space. Bedrooms three and four feature double-glazed windows, with recessed storage in bedrooms two and three. The family bathroom is fitted with a modern white suite comprising a panelled bath with shower and glass screen, low-level WC, pedestal wash basin, tiling to walls, radiator, and extractor fan.

Gardens & Parking

To the front, the home has a pathway to the entrance, flanked by two small lawned areas. The driveway offers off-road parking and leads to the garage, which includes power, lighting, and a part-glazed courtesy door to the garden.
