The entrance, with steps leading to a raised patio and porch, provides a welcoming feature.

Upon entering, the spacious hallway, featuring an alarm, CCTV monitor, and data point patch panel, leads to a versatile area currently used as a gym. The first of two large lounges includes a log burner, serving as a sitting/reading room, with double doors leading to the second lounge, currently a TV/media room. Patio doors open onto the raised veranda, with another set leading to a smaller balcony. The modern kitchen, with a breakfast bar, ample cupboard space, high-end appliances, and a built-in dishwasher, connects to a dining room that opens onto a veranda overlooking Saltwell Viaduct Park. The utility room provides additional storage and connections for a washing machine and tumble dryer, with a back door leading to a raised decking area.

Upstairs, a bay window illuminates the entrance hall and landing. The master bedroom boasts extensive built-in wardrobes, cupboard space, and a balcony with park views. Its ensuite includes a roll-top bath and walk-in shower. Bedroom 2 features a dressing area and ensuite with a roll-top bath and walk-in shower. Bedrooms 3 and 4 also have built-in wardrobes. The family bathroom has a walk-in shower, and the loft is part-boarded with potential for conversion, subject to regulations, and has two dormer windows accessed via a built-in loft ladder.

The rear garden features a large decked area with an undercover entertainment space, heater, and outside power, along with three formal flower beds and a lawned area with a patio. The property includes two garages, one split into a storage area and a dog grooming business space.
