To the rear is the garden, split into a number of sections, the lower deck area is the perfect spot to sit, relax and watch the world go by. There is a second decked section that is raised for further sitting/dining outside. This space is accompanied by the outhouse that can be a versatile space, having been utilized as a play house, bar, shed and dog house over the years.

A patio section is the central aspect of the garden before leading onto the pond, currently home to plenty of fish and a main feature to this outside space.
